

July 11, 2010

*Dear Patient,*

*September is National Prostate Cancer Awareness month. We would like to encourage you to attend a special program celebrating Prostate Cancer Survivorship to be held September 7, 2010, at Baylor University Medical Center from 11:00 am - 1:30 pm. The featured speaker will be Joel Allison, FACHE, President and CEO of Baylor Health Care System. Please join us to hear his insight on "The Future of Healthcare in America". In addition to this informative presentation, there will be a free luncheon held in your honor.*

*Registration is required and space is limited. To receive more information about this program and to register, please contact the Virginia R. Cvetko Patient Education Center at 214-820-2608. Thank you.*

*Sincerely,*

*The Physicians of Urology Clinics of North Texas*
